Delaware Early Childhood Council Vision

- **Ready children:** children who are physically and emotionally healthy, have access to high quality early learning experiences, and enter school prepared to succeed
- **Ready families:** families with the knowledge and resources needed to successfully support their children's development and learning
- **Ready early care and education programs:** programs that effectively support the growth, development, and learning of all children and are staffed by teachers who are well prepared, well compensated, and well supported
- **Ready communities:** communities that embrace their responsibilities for enhancing the quality of life of young children and their families through collaborations across all sectors
- **Ready schools:** schools that build upon and further enrich the learning foundations of young children and accelerate their continued success
